EMERGENCY CARTS

Rapid and organized response to a cardiac emergency is essential.

Our aluminum cart is 30% lighter than a standard steel cart, offering faster response times. Work surface and drawer organization are vital during a Code. Our dual slide out shelves virtually double your cart top work surface.

No more fumbling around for items in the heat of an emergency. Inside our drawers you'll find durable metal drawer dividers that will keep supplies organized.

FEATURES

- Lightweight Aluminum Construction
- Dual Pullout Side Shelves
- Metal Drawer Dividers Included
- Corner Mount Accessory Rails
- Cart Can Be Secured with Tamper Evident Seals
- Self-Closing Ball Bearing Slides
- Easy-Roll Casters

FULL AND INDIVIDUAL GATELOCK OPTIONS AVAILABLE
