

TRUDELL
HEALTHCARE SOLUTIONS

bellavista™ Service Contracts

Trudell Healthcare Solutions is committed to exceeding our customer's expectations and **improving patient outcomes**.

Our Biomedical Engineering Technologists are **OEM certified** on the bellavista™ product line and are authorized by Vyair™ to purchase parts and perform repairs and/or services.

THS offers unique service contracts to ensure your **bellavista™** ventilators are performing optimally.

Why use THS as your service provider?

- ✓ Consistent and reliable operation
- ✓ Proactive approach to system maintenance
- ✓ Maintain peak performance while **maximizing your investment**
- ✓ Minimize downtime to **support your patients' needs**
- ✓ Real-time application support
